

FULL NAME: Andras P. Christos
BIRTH DATE: 04 May 1973
CITY: Thessaloniki
NATIONALITY: Greek
ADDRESS: Vrioulon 1-E1, Kalamaria
57132 Thessaloniki
Phones.: 00302310451918 / 00306973099010
E- Mail : andras@ihu.gr, andraschris@gmail.com
LinkedIn: <https://www.linkedin.com/in/christos-andras-0a667127/>

STUDIES:

2022 MSc in Network and Complexity, Aristotle University Thessaloniki.
2009 PhD in Applied Informatics from the University of Macedonia, Greece.
1996 B.S. in Applied Informatics from the University of Macedonia, Greece.

PROFESSIONAL & EDUCATIONAL EXPERIENCE:

2019-now Specialized and Laboratory Teaching Staff on Department of Industrial Engineering and Management - International Hellenic University, specialized in "Social Information Systems".
2025–now Secretary General of EEEPE (Association of Greek IT Professionals & Businesses) (2025) <https://www.eepe.gr>
2014-2019 Principal at the Second Opportunity School of the Municipality of DELTA (high school level).
1999-2014 Teacher of Computer Science in various High Schools.
2008-2012 Head of Technical Support Team at Hellenic Language Research Center, www.greeklanguage.gr
1999-2004 Trainer for the Vocational Education and Training Organization (OEEK) teaching courses such as: “Windows Application Development”, “Visual Basic”, “Computer Programming”, “Introduction to Programming-PASCAL”.

DEVELOPMENT OF SOFTWARE APPLICATIONS:

2023- now Software Development (Backend C#) part time for <https://softweb.gr/>
2011- now Development of a commercial program **MyBusiness E.R.P.**, www.epsiloncomp.gr.

- 2018- 2022 Development of customize software for the maintenance and CNC department of Neproplast Industrial Company in Jeddah, Saudi Arabia.
<http://www.neproplast.com>
- 2000- now Development of customized software (**MyMedApp E.R.P**) for the management of medications, patients for many (~10) private psychiatric clinics.
- 2009-2019 Development of customize software NIRES E.R.P for the network of integrated real estate companies NIRES, www.nires.net.
- 1999-2012 Development of customize software Projects E.R.P for the integrated monitoring of projects of private construction companies.
- 2010-2012 Software and database development related to the organization of Professor Kriara's file, www.greek-language.gr.
- 2008-2012 Development of book management software for the book distribution of the Greek Language Center.
- 2000-2001 Development of monitoring software, teacher selection and situation creation for OEKK.

SPECIAL KNOWLEDGE:

- Analysis, design, and development of user-friendly and customized information systems.
- **M.S. SQL SERVER RDBMS**, TSQL, triggers, stored procedures, functions.
- **C#, Visual Basic (.NET)**. Special controls & tools <https://www.devexpress.com/>
- Familiarity with version control tools like Git
- Excellent problem-solving skills
- Strong communication and teamwork skills
- **Data Science (R, Python)**, Information Theory
- **Graph Databases (Neo4J)**, Network Theory
- Certified trainer of e-learning trainers (E-learning, National Center for Public Administration and Self-Government).

COURSE TEACHING:

-
- «Databases» (postgraduate lesson, Department of Industrial Engineering and Management - International Hellenic University)

- «Information Systems» (postgraduate lesson, Department of Industrial Engineering and Management - International Hellenic University)
- «Robotics» (undergraduate laboratory lesson, Department of Industrial Engineering and Management - International Hellenic University)
- «Technological design method and CAD-CAM-CAE» (undergraduate laboratory lesson, Department of Industrial Engineering and Management - International Hellenic University)
- «History of Civilization & Technology» (postgraduate lesson, Department of Industrial Engineering and Management - International Hellenic University)
- "Robotics" (postgraduate lesson "Applied Automation Systems", Department of Industrial Engineering and Management - International Hellenic University)
- «Information Society & 4th Industrial Revolution» (postgraduate lesson "Robotics, STEAM and new Technologies in Education", Department of Industrial Engineering and Management - International Hellenic University)
- "Philosophy, Art and Culture for the completion of STEAM" (postgraduate lesson "Robotics, STEAM and new Technologies in Education", Department of Industrial Engineering and Management - International Hellenic University)
- «Databases and Data Mining» (Laboratory Assistant in the Interdisciplinary Postgraduate Program "Informatics & Management" of the Department of Informatics & Economics of Aristotle University of Thessaloniki, 2012-2015)

COMPETITIONS:

8th Place in Central Macedonia Region Contest for Innovative Ideas with Business Plan «IPTV Explain», 10/07/2008.

RESEARCH INTERESTS:

- Social Informatics
- Information systems
- Databases, SQL
- Software Development
- Data Analysis
- Social Networks and Graph databases
- Sociology of technology
- History & Philosophy of science

PARTICIPATION IN RESEARCH PROGRAMS:

- Educational Course “Design of the KDAP-STEM”, International Hellenic University (IHU).
- 2018-2020: Research program from Alexander Technological Educational Institute (ATEI): “Safe Cross-Border Transportation of Hazardous Materials: Orphan Radioactive Sources”. Design and Development of Information system.
- 2020: Research program from Free University of Bozen/Bolzano, Faculty of Computer Science: “Information Technology - Knowledge Discovery and Case-based Reasoning”. Software Development.
